

Devesh Tiwari

MERN Stack Developer

deveshups@gmail.com — +91 9580919677

LinkedIn — GitHub

Profile Summary

MERN Stack Developer pursuing BCA with hands-on experience building and deploying full-stack web applications, including an AI-powered customer support SaaS and a production-ready e-commerce platform. Experienced in React.js, Next.js, Node.js, Express.js, MongoDB, authentication, payment integration, REST APIs, and cloud deployment. Familiar with Docker, Redis, and system design fundamentals, with a strong focus on building scalable and user-centric web applications.

Technical Skills

Languages: JavaScript (ES6+), TypeScript, Python

Frontend: React.js, Next.js, HTML5, CSS3, Tailwind CSS, Framer Motion

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, Mongoose, Redis (basic)

Authentication & Security: JWT, OAuth 2.0, Scalekit Authentication, HTTP-only Cookies

Tools & DevOps: Git, GitHub, Docker, Postman, Thunder Client, Render, Vercel

Concepts: System Design Fundamentals, Caching, Rate Limiting

AI & APIs: Google Gemini API, Prompt Engineering

Projects

SupportAI – AI-powered Customer Support Chatbot (SaaS)

Next.js, TypeScript, Google Gemini API, Scalekit, Vercel

Live Demo — GitHub

- Built an AI-powered customer support SaaS application using Next.js and TypeScript.
- Integrated Google Gemini API for context-aware automated customer responses.
- Implemented secure authentication using Scalekit with protected routes and session management.
- Designed a responsive, embeddable chatbot interface and deployed the application on Vercel.

OneCart – Full-stack E-commerce Platform

React.js, Node.js, Express.js, MongoDB, Razorpay, JWT, Render

Live Demo — GitHub

- Developed a full-stack MERN e-commerce platform with separate user and admin dashboards.
- Implemented JWT authentication with HTTP-only cookies, Google authentication, and protected routes.
- Integrated Razorpay payment gateway with order verification and order management workflow.
- Built voice navigation using the Web Speech API and deployed frontend and backend services on Render.

Education

Bachelor of Computer Applications (BCA)

Dr. Ram Manohar Lohia Avadh University

Expected Graduation: 2027
